BESCHREIBUNG

Visually attractive, designed for the youngest users of the playground, the slide teaches balancing with your own body (taking such a position to properly exit and do not fall). It allows you to exercise balance. The colorful slide is a proposal for the youngest users of playgrounds. The construction of the device makes it extremely safe, both the stairs and the slide are secured by the sides of laminated plywood, making it impossible to drop from the device. It has stairs leading to the platform, from which you can slide using a slip.
