

### BESCHREIBUNG

The 6508 set is the largest in the MILO collection and a mini complex for active play. It includes a sandbox with three manipulative panels and a tower with two slides, accessible via a safe bridge. Easy-to-navigate entrances and low platforms create a barrier-free environment. Numerous manipulative elements spark curiosity and encourage exploration. Construction: load-bearing posts made from stainless steel pipes with a diameter of 76.1 mm. Anchoring: directly in the ground. Roofs and safety panels: panels made from flexible high-pressure polyethylene HDPE (15 mm). Steel components: fittings and connectors made from stainless steel.
