

BESCHREIBUNG

The Retro Set 203 is a versatile playground that harmoniously combines traditional style with modern features, creating an ideal space for active outdoor play. It consists of two platforms connected by a stable bridge. Additional attractions include a climbing wall, an inclined entry ramp, and a slide. Furthermore, like other elements of the collection, the Retro Set 203 is made from selected wood, preserved using modern conservation methods. The wood is resistant to moisture and pests, ensuring the set's durability and longevity. The Retro Set 203 blends perfectly with the natural surroundings, creating an aesthetic, functional, and eco-friendly play area. Its versatility encourages children to engage in ac...
