

BESCHREIBUNG

The Vento 120 Carousel is a compact carousel that fits well in smaller spaces due to its small size. Designed with maximum safety and user comfort in mind, it is perfect for dynamic standing play. High-quality materials and meticulous finishing ensure durability and aesthetics for years to come.

Construction: made from S235 steel; Anchoring: foundation below ground level; Panels and tabletops: high-pressure laminate (HPL) (8-12 mm); Steel components: protected against corrosion by galvanizing and powder coating; All fittings and connectors: made from stainless steel.
